Reboot Develop Blue 2023 Indie Expo.

1. Organizer

The organizer of the Reboot Develop Blue 2023 Indie Expo is Reboot represented by Digital Adventure LLC company.

2. Indie Expo

All participants who hold Indie Package and apply for the exhibition a.k.a. Indie Expo will have an option to exhibit at Reboot Develop Blue 2023. The opportunity to exhibit is not mandatory.

Indie Expo will take place in the center of the Sheraton hotel, with the large foyer area near the reception desk.

2.1. Indie Expo specifics

- Slots will be occupied on a "first-come-first-serve" basis

- Each expo slot is in form of a table/counter that is approximately 120cm wide + 45cm deep + 75cm high with two chairs

- Keep in mind that Indie Expo slots are limited to one per company/studio/team, regardless of how many Indie Packages or tickets have been purchased/obtained through other means

- There is roughly enough space for either two laptops or desktop PCs

- Each slot will be branded by us, through papers-sized A4 table stand where your company/studio name, will be displayed with short specifics about your game

- **Full sized roll-ups** or any kind of similar branding is **not allowed** as indie slots are connected to each other and will, most likely, produce clutter. Please keep that in mind because we are extremely limited with space, and we have to abide by the hotel rules.

- Other "on-table" promo assets (such as stickers, booklets, brochures, t-shirts, mini branded stands not higher than 75cm) are allowed, with the limitation that they cannot be higher then 75cm or wider then the total length of your indie expo slot (120cm)

- You are allowed to **assemble your equipment** in the Indie Expo Area from **6PM** on **April 23rd** , and disassemble immediately after the official conference program ends – shortly after the Indie Award ceremony.

- Opening hours of Indie Expo are 10:00AM till 6:00PM every day including the last day of the conference.
